

empty Containers / Bu

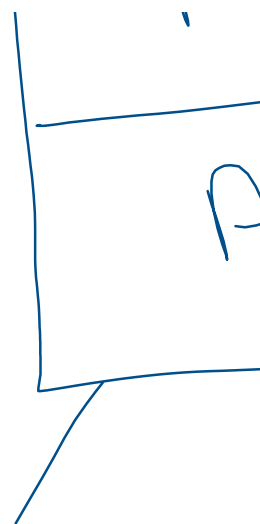

end (X)

→ Stack gestrich

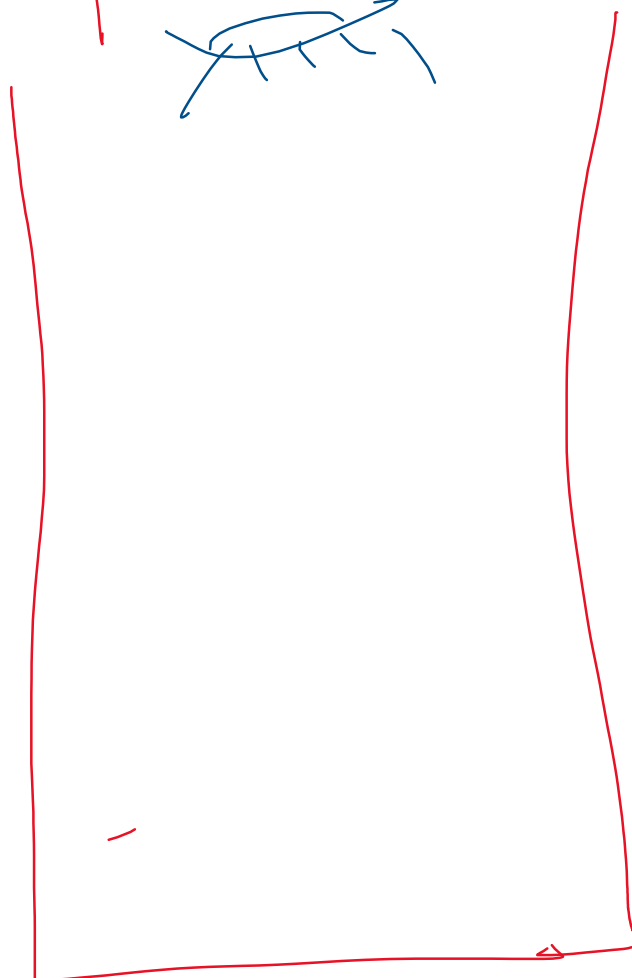

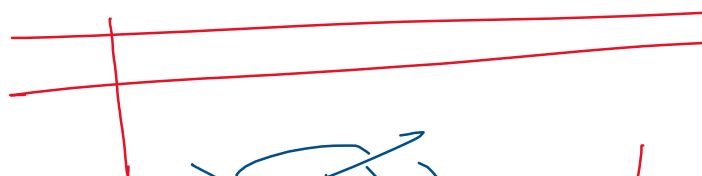

Ex:

A handwritten diagram. At the top, there is a set notation $\{$ followed by A with a diagonal slash through it ($A/$). A downward-pointing arrow is positioned above $A/$. A curved arrow originates from the $\{$ and points towards a vertical line. To the right of the vertical line, there are two horizontal line segments, one above the other. At the bottom right, there is a stylized signature or mark.
